

The Great Mystery Show

Primary Scavenger Hunt

Welcome to AVAM's 23rd original exhibition, **The Great Mystery Show!** Explore the first floor hallway, and second floor gallery and prepare to be mystified!

1. Name one visionary artist in The Great Mystery Show who lives (or lived) in Baltimore.
2. Find Antar Mikosz's artwork *The Gateway*. Study it for a few minutes. Where do you think this portal leads?
3. Name two pieces of artwork that feature planets or outer space.
 - 1.
 - 2.
4. Find the painting *Nocturn* by George Figs and look at it for a few moments. How does it make you **feel**?

5. Match each artist with the material they used to make their artwork.

- | | | |
|----|------------------------------|--------------------------------|
| a. | Aric Wanveer | Beads |
| b. | Nancy Josephson | Cloth and Embroidery |
| c. | Christian Twamley | Peeps |
| d. | Chris Roberts-Aniteau | Fused Metal & Glass |

6. Name the artist who made both a **cat** and a **bat**:

7. Which artist's prosthetic leg is on display in The Great Mystery Show?

8. After viewing the exhibition, decide which piece represents the **BIGGEST** mystery to you and sketch it below. If you could ask the artist one question, what would it be?

GOREY GAME 12

Find your way through the zagava tree
from the Osbick bird to Emblus Fingby.
